Full Stack Developer

Janmanpreet Singh

Full Stack Web Developer
Milano, Lombardia, Italia

Riepilogo

I am a young, passionate web developer with leadership and communication skills honed through my experience as a former team leader in school. I enjoy collaborating effectively with others, motivating teammates, and solving complex problems. As a coding teacher to young children, I inspire and provide engaging, supportive, and enriching learning experiences. I am a dedicated developer who thrives in individual and team settings, always seeking new challenges and opportunities for personal and professional growth.

Esperienza

Siav Spa
Software Developer
maggio 2023 - Present (3 anni 2 mesi)
Milano
